

HPL VIVO

15,000hrs
long life

SICT
Smart
Integrated Circuit
Technology

**HPL
VIVO**

80%
Energy Saving

Features

- SICT - The Smart Integrated Circuit Technology.
- Program start for better switching life upto 40,000 switching
- Optimised electronics maximizes lamp life.
- Auto cut volatge is 40V.
- Surge voltage protection upto 3KV.
- Ideal for domestic and commercial establishment.
- Available in 15W & 20W.
